Mr. Anwar Aqel, may God keep him
God's peace, mercy and blessings be upon you,

Please disburse the amount of ten thousand dollars (10,000 Dollars) to the poor and the needy in the central region, in cooperation with the trusted Zakat committees. The amount is to be distributed on them as al-Fitr Zakat. After ensuring that the money has been distributed its beneficiaries, please notify me of the names of the committees which participated and how much each one contributed in order to send the money directly to them after the Eid holiday.

(I hope that the committees' contribution will not exceed the total of 10,000 dollars, as this is the allocated budget for the central region). Also, please send a report on how the amounts were disbursed to each committee. Please allocate the sum of one thousand dollars from the total amount for gifts-in-kind donation such as food supplies.

Please report to us quickly so that we know what is going on and thank you.

Many happy returns of Eid.
